

1. Imagine you are in a zoo. Show your partner around your zoo, describing the animals:

*This is a fish, it is **covered in** scales. It **has got** fins, two eyes. It can **live** in the water.*

*This is an elephant. It lives in Africa. It **eats** plants. It has got tusks and a long trunk. It has got big ears and ...*

2. Play "I'm thinking of an animal" with your partner. Describe the animal. Can your partner guess what it is?
